

Institutional Procurement Agreement — Attention Test

Document Type: Procurement Agreement

Department: Operations & Procurement

Review Status: Pending Final Approval

Special Conditions

The supplier shall remain responsible for all losses, damages, delays, and indirect costs arising from performance of the contract without limitation of liability.

The supplier may extend the agreement automatically for additional twelve-month periods unless the institution provides written notice of termination.

Payment may be released before completion of all acceptance and verification procedures if requested by the supplier.

Approval Requirements

Final approval is required from the Procurement Department and Legal Department. The document has not yet received final signatures.

Review Deadline

The agreement should be reviewed before 25 August 2026 to avoid delays in the procurement schedule.

Review Area	Status
